

**MEMORANDUM OF UNDERSTANDING**

**BETWEEN**

**INTERNATIONAL CULTURAL COMMUNICATION CENTER MALAYSIA (ICCCM)**

**AND**

**UNIVERSITAS MUHAMMADIYAH BIMA, INDONESIA**

Based on the deliberations, both parties involved hereby declared that they have achieved a mutual agreement regarding collaboration in the academic realm.

The initial step has been taken towards fostering a cordial and collaborative relationship among the two parties. Subsequently, both parties are inclined to facilitate educational and research endeavours based on the principles of fairness, mutual benefit, and shared progress. The specific areas of cooperation encompass the following:

1. Collaboratively organising short-term training programs or credit exchanges for students, as well as facilitating their participation in international competitions.
2. Jointly arranging teacher training initiatives or study tours.
3. Coordinating efforts to enable teachers to enhance their academic qualifications.
4. Engaging in the joint cooperation in running schools and jointly nurturing talents from foreign countries.
5. Collaboratively promoting the training of "Foreign Language Plus Vocational Skills", as well as promoting Chinese occupational education standards.
6. Jointly introducing high-quality curriculum resources.
7. Co-organizing international conferences or events.
8. Establishing Chinese-foreign cooperative education programs or institutions in unison.
9. Jointly promoting exchange projects that contribute to the mutual development of the two parties and enhance their influence in internationalised education.

Each cooperative project will be executed in accordance with the specific project agreement's duration and conditions. Academic cooperation initiatives will be implemented in line with the agreed-upon content outlined in this Memorandum of Understanding.

Upon submitting this Memorandum of Understanding to their respective institutions for consideration and approval, further discussion will take place if and when the authorities of their institutions agree to and authorise the aforementioned collaboration.
